# Stay Well. Work Well.

---

Civeo (NYSE: CVEO) is a workforce accommodations specialist dedicated to helping people maintain healthy, productive, and connected lives while living and working away from home.

As one of the world's largest integrated providers of workforce accommodations, Civeo brings the experience of owning and operating over 32,000 rooms in Australia, Canada, the US.

Our belief is that a well-rested employee with a balanced lifestyle will be more productive at work – making your accommodations provider a key partner in the success of your operation.

# MODULAR HOUSING & FACILITIES IN CANADA

For short-term, temporary, and relocatable accommodations, our modular fleet of rental facilities are a cost-effective and customizable solution.

## Advantages of Modular Leased Facilities

### Scalable Configurations

Civeo's modular equipment can scale based on the size of your workforce by adding and removing layouts as your needs fluctuate over the duration of your project. Whether you have a workforce of ten people or 5,000, we can accommodate you.

### Relocatable

Our modular facilities can be installed almost anywhere, allowing your people to live in close proximity to your project site. Setup and installation is quick, efficient, and units can be relocated to multiple project sites if required.

### Readily Available

Civeo maintains an active fleet of modular facilities ready to be deployed as you need them. There is no waiting for long design, engineering, and construction cycles that are typically associated with site-built options.

## FULLY TURNKEY FOR YOUR CONVENIENCE

**From install to operations, we serve you at every step of the way.**

### Rental and Sale of Equipment

Civeo offers an extensive inventory of reliable modular solutions at competitive rates for sale or lease. Our equipment is in excellent used condition, well-maintained, and offers a significant cost advantage over the purchase of new assets.

### Transportation of Assets

Regardless of your project's location, Civeo can deliver. Whether it's by truck or barge, our experienced team can manage all logistics, permitting, and regulations to make sure the facility is ready when you need it.

### Installations and Construction

Civeo's experienced and certified crews ensure that your facility is built and installed to the highest standards. Our attention to detail means that your facility will operate trouble-free for the life of your project.

### Safety and Environment

At every level of our organization, you will find people committed to Civeo's Making Zero Count culture of prevention and preparedness. The mandate established by our Board of Directors, the leadership provided by our senior management team, and the care provided by our frontline hospitality workers, all contribute to our shared commitment to protecting the health and wellbeing of our people, our guests, and our neighbouring communities.

## CATERING & FOOD SERVICES

**Reaching far beyond simple cafeteria-style food, Civeo has carefully honed its dining experience, offering fresh, nutritionally packed ingredients in dishes that are tailored to individual preferences and dietary requirements.**

### Variety Tailored to Your Needs

Our menu cycles are regularly refreshed by our in-house development chefs. Whether it's an omelet station in the morning or wok station in the evening, we have a range of options available to sustain guest interest and avoid menu fatigue.

Our Red Seal and Blue Seal Chefs who develop and oversee our menus and food service operations can address any culturally diverse, religious, medical, and lifestyle-specific requirements of your workforce.

### Food Safety

We serve millions of meals every year, and with that comes tremendous responsibility and care.

Quality and food safety are ensured through Civeo's use of government-approved suppliers, staff training, stringent procedures, and our integration of Hazard Analysis Critical Control Point (HACCP) systems (the United Nations' international standard for food safety).

Our NSF-trained HACCP managers and certified health inspectors oversee the development and implementation of Civeo's food safety programs for every facility and project we operate.

### Consistency in Every Meal Served

Our extensive recipe management database ensures consistent quality, portion size and presentation for every dish we serve.
