CUSTOMIZABLE, MODULAR, RELOCATABLE, AND SCALABLE CONFIGURATIONS

IDEAL BASECAMP FOR REMOTE SHOOTING LOCATIONS

Civeo offers a rental fleet of film crew accommodations and office space that is ideal for use in remote shooting locations, or where local amenities are not sufficient to support the needs of your production.

Quick Dispatch Nationwide

We maintain an inventory of structures that can be mobilized to any jurisdiction in the continental US and Canada, installed and ready for use within days.

Move-in Ready

Our services are fully turnkey, with daily lease rates that include all the following amenities:

- Fully furnished units
- Bed linens and towels
- Dishes and kitchenware
- WI-FI (where services available)
- DirectTV
- Air conditioning
- Washer/dryers
- Bathrooms
- Workstation

Advantages of On-Site Accommodations

- Eliminate or reduce travel to and from the set
- Accommodate your crew closer to your shooting location
- Avoid overburdening smaller local communities with limited amenities
- Tailor the footprint to your site requirements with custom, scalable configurations
- Self-contained production community when controlled access is required

Union-Friendly Collaboration

Civeo is mindful of the union agreements in place for most productions and can collaborate with the various organizations contracted to provide site services.

On your behalf, we regularly interact with unionized service providers for catering, site utilities, transportation, and any other production department to ensure alignment of needs on location while planning the project.
